INSPECTOR'S NOTES

I hereby affirm that I am exempt from the Contractor License Law for the following reason (Section 703 Business and Professions Code): Any city or county requires a permit to construct, alter, improve, demolish or repair any structure, prior to its issuance, also requires the applicant for such permit to file a signed statement that he is licensed pursuant to the provisions of Contractor's License Law (Chapter 9 (commencing with Section 7000) of Division 3 of the Business and Professions Code) or that he is exempt therefrom and the basis for the alleged exemption. Any violation of Section 7031.5 by any applicant for a permit subjects the applicant to a civil penalty of not more than five hundred dollars (\$500).:

☐ I, as owner of the property will do the work, structure is not intended or offered for sale.

(Sec. 7044, Business and Professions Code: The Contractor's License Law does not apply to an owner of property who builds or improves thereon, and who does so work himself provided that such improvements are intended or offered for sale. If, however, the building improvement is sold within one year of completion, the owner-builder will have the burden of proving that he did not build or improve for the purpose of sale.)

I am exempt under Sec.

B & P.C. for this reason
